CHAMPAGNE
TAITTINGER
Reims

THE COMMITMENT TO A NAME

The Taittinger family has managed the Champagne House for nearly a century. Its aim has always been the pursuit of excellence. "Having our family name on a bottle places demands and responsibilities on every minute. The name on the bottle conveys both the skills and knowledge of the past and a commitment to the future". Pierre Emmanuel Taittinger has embodied this commitment for 40 years, and today he shares it with his son, Clovis and his daughter, Vitalie who both work beside him in the day to day running of the Champagne House. Together, they create a very close-knit and complementary family trio.

A champagne house's style lies at the soul of its wines, taking its energy from its roots, its creativity and a legacy of knowledge. This underpins the strength and special composition of Taittinger champagnes. This composition is the result of a magical, intuitive and complex process, one which Pierre-Emmanuel, Clovis and Vitalie Taittinger know how to create and sustain, supported by a tasting panel formed from a rich pool of complementary talents.
